

JOSE LUIS LARA

ABOUT

I'm an audio and technology enthusiast from Madrid, Spain, currently based in Mallorca. I have extensive experience in sound design, audio recording, editing, and mixing (Pro Tools, Nuendo, Reaper, iZotope Suite); music composition, recording, and mixing; audio implementation (UE - Wwise); as well as in the creative direction and management of projects and teams.

EDUCATION

Wwise Course (School of Video Game Audio 2019)
Unreal Engine 4 Course (School of Video Game Audio 2019)
Degree in Music Education (Autonomous University of Madrid 2009 - 2011)
Audio Technician Studies (IES Puerta Bonita, Madrid 2005 - 2007)

EXPERIENCE

Tequila Works (Game Studio). Madrid, May 2018 - Jan 2025

Audio Director. Responsible for managing the audio department and overseeing all audio and music-related processes across two complete game development cycles and various other projects. Additionally contributed to sound design and implementation.

Song of Nunu: A League of Legends Story (2023)
Groundhog Day: Like Father Like Son (2019)
Gylt (2019) - Additional Sound Design and Implementation

Future Lighthouse (VR Studio). Madrid, Jan 2016 - Jan 2018

Audio Lead. Responsible for location sound recording, sound design, implementation and musical direction. Also contributed the soundtrack for various projects.

Melita (Animated Shortfilm)
Snatch Heist (Interactive Experience)
BeefeaterXO (Interactive Experience)
Ray (Shortfilm)
Felix (Shortfilm)

Freelance Work. 2010 - Present

I ran my own recording studio in Madrid where I worked on dialogue and ADR recording and editing, foley recording, audio editing and mixing, music recording and mixing, sound design, and music composition. After the pandemic I continued freelance work, switching to a home studio setup.

Selected works:

Kindred (2022 - VR Animated ShortFilm) Electric Skies (UK) Sound design, implementation and mixing
Place we've never been (2022 Film) Soundtrack
Il Dubio (2022 - Interactive VR) Reframe (IT) Sound design, implementation and mixing
Manual Básico para Romper Corazones (2021 Play) Soundtrack
Spotify Binaural Ads (2020 - 2022 Audio-only binaural ads), Megamedia (ES) Sound design and binaural mixing
Antes de la Erupción (2021 Shortfilm) Sound design, mix and soundtrack
Más que Plara (2018 Documentary) Sound design and dialogue editing
Legionario (2017 Film) Dialogue editing
Spanish Gymnastics Federation (RFEG) Corporate music, soundtrack and sound design for several pieces
Como la Espuma (2017 Film) Soundtrack

Teaching. 2015 - Present

I'm a recurring collaborator with various media schools and institutions where I teach audio theory and hands-on workshops.

U-TAD (Media University - Madrid) VR and Game Audio
EFTI (Visual Media School - Madrid) Audio and Narrative
VR Audio Workshops
