

Rubén Rodríguez Ferreras

3D ARTIST AND ANIMATOR

Profile

3D Artist and Animator with experience working for different types of media like games and film.

Employment History

Freelance artist, Remote

2019 – 2021

Small remote freelance work for individuals and some companies, from modelling to rigging and animating.

3D animator, Moonatic Studios, Remote

JANUARY 2021 – APRIL 2021

I worked for about 4 months animating and rigging for the game [One Last Breath](#) together with a group of former students for **Playstation Talents**.

3D character artist, FlyKube, Barcelona

2022 – 2022

I spent 6 months in Barcelona working on designing, modelling and animating characters for their use as part of the company's branding.

3D animator and fixer, B-Water Studios, Santa Cruz de Tenerife

2023 – 2023

I worked as an animator and fixer for the show [Ghosts of Ruin](#), on-site in Tenerife.

Education

Informatic Engineering, Universidade da Coruña, A Coruña
