

FERNANDO DE FUENTES PERERA

3D Artist

38296, Santa Cruz de Tenerife, Spain

ABOUT ME

With close to 4 years of experience I consider myself a proactive person who is always looking to improve myself by looking for new workflows and helping my colleagues. I have extensive experience in modeling, texturing and optimizing, as well as implementation. With a passion for videogames and animated films, I'm always looking for improvement. I hope we can work together!

SOFTWARE THAT I USE

Autodesk Maya

Blender

ZBrush

Substance Suite

Photoshop

Unreal Engine

Unity
