SKILLS

- Concept, graphic design, illustration & painting.
- Organic and hard-surface modelling.
- Character rigging, skinning & blendshapes.
- 2D/3D animation.
- Procedural/hand-painted texturing (PBR workflows) & UV unwrapping.
- Integrating and optimizing assets for game engines.

EXPERIENCE

Generalist • Tiny Kiwi Games • *Feline Furmion [Game]*

July – October 2024

- Worked in a team, using organizational tools, participating in meetings and integrating feedback.
- Modelled, UV unwrapped and textured character.
- Rigged, skinned and animated bipedal character, integrating it into Unity.

Generalist • Pickle Darling (Commissioner) • *TBA [Music Video]*

January – Present

- Modeled, UV unwrapped and textured character in a 'PS1' style.
- Rigged, skinned and animated biped.
- Created 3D backdrop and props.
- Filmed and rendered virtual locations using film techniques.
- Regularly communicated with client to achieve desired outcome, solving problems through independent research.

Freelance Illustrator/Designer/Animator 2019 – Present

- Designed album artwork for prominent musicians.
- Illustrated posters and merchandise for musicians and businesses.
- Animated 2D/3D music videos & visualizers.

Exhibiting Artist • City Art Depo (Dealer Gallery) 2019 – 2024

- Made and curated high-quality art for multiple solo (and group) exhibitions.
- Presented artist talks and participated in interviews.
