PROFESSIONAL EXPERIENCE

Marketing Artist - Green Tomato Media - Chiang Mai, Thailand 3/2023 - 1/2025

- Designed eye-catching banners, promotional images, and icons for social media platforms such as Instagram, Facebook, and X.
- Adapted game art into highly shareable visuals that drive engagement and clicks.
- Created in-game banners, pop-ups, and promotional assets to support seasonal sales and new content releases.
- Ensured visual consistency with the game's style while highlighting key marketing messages.
- Designed static and animated visuals for mobile and desktop ad campaigns, including Google Ads and Facebook Ads.
- Produced high-quality key visuals for marketing materials, including posters, landing pages, and app store features.
- Collaborated with the marketing team to develop visuals that resonate with the target audience.

Editorial Illustrator - Milton Education - Madrid, Spain 9/2021 - 4/2022

- Produced multiple sketches and concepts for editorial approval, refining them into final artworks.
- Adapted to fast-paced editorial workflows to meet publication schedules.
- Adapted artwork to fit digital and print formats seamlessly.
- Maintained consistency with the publication's visual identity and tone while introducing fresh, creative elements.
- Worked closely with art directors, editors, and writers to align illustrations with content goals.
- Participated in editorial meetings to pitch ideas and incorporate feedback effectively.

Illustrator - Aprin - Mexico DF, Mexico 09/2019 - 11/2020

- Created high-quality digital illustrations for a variety of projects, including branding, marketing, product packaging, and entertainment media.
- Sketched and developed initial concepts based on creative briefs, transforming ideas into polished illustrations.
- Worked on character designs, landscapes, and environments with attention to lighting, texture, and composition.
- Adapted artwork to various formats and platforms to maximize impact and engagement.

- Balanced artistic creativity with practical considerations like layout and readability.
- Worked with design teams to ensure compatibility with branding and product needs.

2D Artist/Concept Artist- Freelance - Remote 10/2020 - Current

- Designed high-quality 2D assets, including characters, props, environments, and UI elements, for games across various genres.
- Illustrated detailed 2D characters and environments, maintaining consistency with the art direction and narrative themes.
- Designed user interfaces, icons, and menus with an emphasis on clarity, visual appeal, and functionality.
- Created mood boards and visual explorations to establish the tone and style for projects.
- Designed user interfaces, icons, and menus with an emphasis on clarity, visual appeal, and functionality.
- Provided detailed concept art for production teams, including turnarounds, material callouts, and visual breakdowns for 3D modelers and animators.
- Adapted to a variety of artistic styles to meet project requirements, from realistic to highly stylized visuals.
- Consistently worked on personal projects and collaborations to showcase a diverse range of skills and artistic approaches.
