

SHIVAM BANSAL

3D MODELING AND TEXTURING ARTIST

SUMMARY

I am a highly creative and detail-oriented 3D Artist with over 4 years of experience producing high-quality 3D models for games and multimedia projects. I am proficient in industry-standard software including Autodesk Maya, Blender, and ZBrush. I have strong artistic vision and technical skills, and thrive in collaborative environments, dedicated to continual improvement and staying current with industry trends.
