PROFESSIONAL EXPERIENCE

Feb 2019–June 2022

Freelance Graphic Artist

- Creating advertising material and logo commissions.
- Meeting client criteria within agreed deadlines.

Jan 2021 – Aug 2021

Freelance 3D Clothing Modeller – Orbis Outsourcing Limited

- 3D modelling game-ready clothing based on supplied reference and client requirements.
- Testing models in the client's Unity application.
- First point of contact for client communication.

Aug 2022 – Aug 2024

3D Character Artist – Streamline Studios

- Create and deliver high-quality 3D optimized character based on clients IP's style and limitations.
- Come up with workflows to streamline the process for the team to create the deliverables and maintain the same quality across the team.
- Share software knowledge with the rest of the team through video demos and consistent communication.
- Find solutions to problems during new project acquisitions relating to the production of characters.
- Maintaining good communication with the team and art leads.
- Foresee possible problems before they arise and find solutions to them.
- Strive to keep learning and develop my hard and soft skills.
