PROFILE

"I am a dedicated and hard-working 3D Artist with 3 years of professional experience and strong attention to detail. A fast learner, always striving to grow and tackle new career challenges. I enjoy working in a team and can also work efficiently on my own. Easy-going and supportive of colleagues, with a good sense of humour."

WORK EXPERIENCE

- The Men Who Wears Many Hats Ltd.**

JUL 2023 - PRESENT

3D Environment Artist - Contractor

 - Creating a PC Game for Steam for the US Indie company who has developed the original game Organ Trail: Director's Cut and Max Gentlemen Saga.
