Work Experience

Lead Dialogue Editor & QA Lead - The Brightskull Entertainment Group (Sept 2020 - June 2024)

- Was the Lead Dialogue Editor and additional Mixer for all our projects
- Was the QA Lead for all our mixed assets. Used Microsoft Excel daily, and came up with macros and quick commands to execute function to increase speed
- Worked in ProTools for tasks such as pulling Alts, Timecoding, and any VO Sound Design needed
- Extreme proficiency in Izotope RX
- Managed Monday as our central organizational structure for all Editing, Mixing, and QA tasks
- Maintaining proper timelines and communication with Producers & Creative Director
- Created multiple macros using the Elgato stream deck to make workflow more efficient
- Came up with creative ideas for new additions to the pipeline
- Helped train and increase workflow proficiency with my colleagues

Lead Sound Designer - Coastal Audio (April 2017 – June 2021)

- Owner of the studio
- Lead Sound Designer for our Linear & Non-Linear Projects
- Foley Artist/Recordist/Editor on all our projects
- Recorded ADR for numerous projects
- Was the production Sound Mixer or Boom Op for our Production Sound projects
- Strong knowledge of Production Recorders, DAWs, and Microphones
- Built a 5.1 Sound Stage. As well as helped maintain the Studio, and helped create and maintain multiple ProTools Templates.
- Managed and kept Sound Libraries organized using Soundminer, adhering to UCS naming conventions.
- Managed multiple project timelines
- Trained new editors when required

Freelance Sound Designer (April 2015 – Present)

- Extensive use of ProTools & Reaper
- Deep proficiency in Unreal Engine and Wwise
- Knowledgeable and familiar with Unreal Engines Metasound System
- Created 9 reels using Wwise, Unreal, and Reaper
- Lead Sound Designer on 45 Linear Media Projects. Including Feature Films, Docs, and MOW's
- Audio Lead on the video game Jizo No Akumu through Dark Nyx Studio
- Sound Designer on Tiny Titan through Argosoft Games
- Experience with mixing consoles such as the D-Command & Pro Control

Education

- Diploma from SAE Vancouver for Audio Engineering and Music Production (April 2015 – March 2016)
- Diploma from Vancouver Film School for Sound Design for Visual Media (July 2017 – July 2018)
- School of Video Game Audio for Wwise & Unreal Engine (July 2024 – August 2024)

Certifications

- Certified ProTools Operator (SAE Vancouver 2015)
