Olpener Strasse 29, 51103, NRW, Cologne, Germany

Fluent in English, Spanish, and German

About Me

Born in a Spanish family in Chile, I have always surrounded myself with a wide variety of people from different backgrounds and perspectives. I pride myself in my communication skills, trouble solving and teamwork capabilities. Looking for opportunities that leverage my array of skillsets, and open to new opportunities.

Skills

- Autodesk Maya
- Blender
- Substance 3D Painter
- Substance 3D Designer
- ZBrush
- Marmoset Toolbag
- Clip Studio Paint
- Javascript
- Python
- Vegas Pro

Experience

- 3D Modelling Docent**
Macromedia University, Germany 2024 - Present
Taught 3D Modelling to a class of 30 students, from basic theory and history of the medium to practical applications and industry standard practices, overseeing creation of all students' 3D assets for a final semester project.
- 3D Prop Artist**
R. Talsorian Games, Remote 2022 - 2023
Oversaw creation, implementation of several necessary 3D illustrations with a team. Developed models, textures, and renders for Cyberpunk 2077's successful tabletop RPG prequel: Cyberpunk RED Black Chrome.
- Freelance 3D Modelling**
Independent, Germany + Remote 2019 - Present
Provided numerous creations including weapon designs, assets and renders for mobiles games, tabletop games like Cyberpunk, and other clients in media and advertising. Tasks include 3D modelling, retopology, rigging, texturing, rendering, animation and coding.
- Catering Staff and Chef**
Various Establishments, Germany 2018 - 2025
Creating cuisine in high pressure environments for establishments with expectant and particular clientele (Rich n Greens, Cafecafe) for 5 years, setting a high personal standard for customer service.

Education

- Digital Games - Bachelor of Arts**
Technische Hochschule Köln, Germany 2014 - 2019
Digital Games degree with branch specialisation in Game Arts. Taught to do rapid development through practical game projects each semester.
- Computer Animation - Exch. Semester**
Leeds Beckett University, England 2016 - 2017
Exchange Semester student through the Erasmus Programme at Leeds Beckett University.
