Aleksandar Uzarevic

Sound Designer | Audio Engineer | Music Producer
Novi Sad, Vojvodina, Serbia

Summary

Sound designer with over 9 years of experience in sound design, recording, audio editing, mixing, and music production. My expertise spans a wide variety of audio-visual projects, including major TV/YouTube shows, commercials, films, interactive content, music jingles, podcasts, and more. Passionate about delivering high-quality audio experiences, I bring creativity and technical proficiency to every project.
