WORK EXPERIENCE

Middle VFX Artist

Mirai Labs Co.

05/2023 - Present

Vietnam

Mirai Labs is a game development studio known for creating blockchain-based casual and midcore games, also focusing on Web3 technology.

Achievements/Tasks

- Full-time VFX Artist in charge of all effects for two major mobile game projects.
- Received VFX requests from PO/Game Designers and collaborated with the Art Director to develop visual concepts.
- Created and optimized stylized real-time VFX in Unity.
- Created custom shader graphs to enhance the visual quality of VFX.
- Worked closely with developers to implement and integrate VFX smoothly into gameplay.
- Worked independently and proactively managed all VFX tasks while mainly working on two parallel projects.

Junior VFX Artist

Uptivistis Co.

09/2021 - 03/2023

Vietnam

Uptivistis is a Vietnam-based game studio focused on developing casual and Web3 mobile games.

Achievements/Tasks

- Worked full-time as a VFX Artist on a key 2D NFT game project.
- Received tasks from the Art Lead and contributed ideas for VFX concepts.
- Assisted the Art Lead in creating documentation and guidelines for the art team, with a focus on VFX.
- Collaborated directly with developers to implement and optimize VFX in the game.
