About me

Passionate 3D Character and Creature Artist with 4+ years of experience in 3D Art (handpaint and PBR).

Skilled in sculpting, modelling and texturing with basic knowledge of programming, concept art and animation. Experienced in remote work.

Skills

Modeling, sculpting, retopology, UVs, baking, texturing (hand-painted & PBR), rendering.

Software

ZBrush, Maya, 3DCoat, Blender, Substance Painter, Marvelous Designer, Photoshop, Marmoset Toolbag, Unreal Engine, Unity.

Other software I'm able to use: Spine Esoteric Software(2D Animation), Adobe After Effect, DaVinci Resolve, Adobe Illustrator.

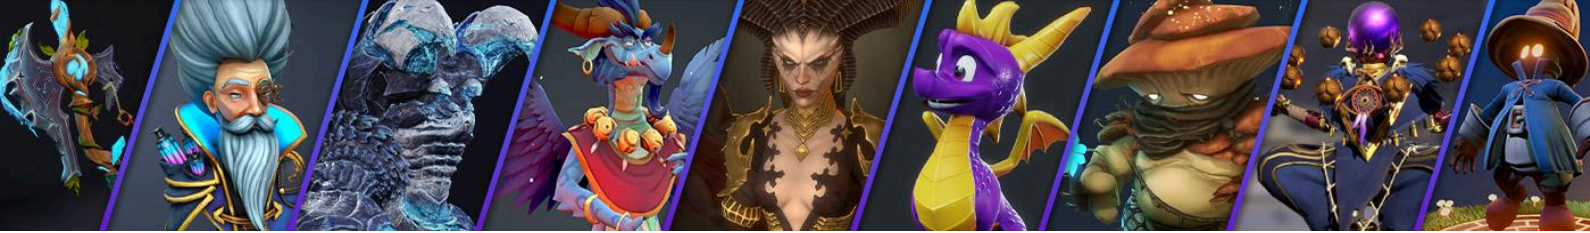

Soft Skills

Fast learner, flexible thinker, problem solver, detail oriented, hardworking, and creative. Able to work individually and in a team, with leadership and project management skills.
