

NIKOS DRAGONAS

Music Composer

As a passionate and versatile music composer with over 20 years of experience in creating original compositions for various media, I bring a deep understanding of musical storytelling to every project. My portfolio includes music compositions and sound design for video games, films, independent projects, and commercial advertising, showcasing my ability to adapt to various genres and styles. Skilled in advanced music software and sound design, I excel at creating immersive audio experiences. I thrive in collaborative environments, working closely with directors, producers, and other creatives to bring their visions to life through music.
